HARROLD'S PEDIGREED QUALITY GLADIOLUS

THE ULTIMATE IN QUALITY
ECONOMICALLY PRICED
GROWN EXCLUSIVELY FOR BULBS
STATE CERTIFIED
FREE FROM THRIPS

Grants Pass, Oregon.
November 2, 1933.

To Whom it may concern:-

After careful and repeated inspection of the Gladiolus crop in the Grants Pass District throughout the growing and harvesting season, giving especial attention to any indication of the presence of the Gladiolus Thrips, I have failed to find any trace of this pest anywhere in this district, and I can say that at this time this county (Josephine) is to the best of my knowledge and belief free from this pest.

State Horticultural Inspector.

Reproduced just above is a copy of our State certification that Harrold's Pedigreed Quality Gladiolus are free of that dreaded pest, Gladiolus Thrips; and, that they have been grown in a district that is entirely free of this pest. A copy of this certificate will be attached to every package leaving our warehouses. We are authoritatively informed that these certificates will obtain immediate release of shipments even in localities where uncertified shipments will be delayed for fumigation. In view of the fact that our prices are on a level with average wholesale trade prices, we feel in addition to this Thrips certification the stock offered merits your consideration on quality as well.

Weather conditions and reduced planting has reduced the amount of available stock materially, with the No. 1 size undoubtedly below actual needs in many varieties. This situation coupled with increasing handling costs, a better demand than for several seasons past, as well as a general tendency toward industrial stabilization leads to the prediction that prices are at about the seasons lowest now.

We'll gladly give prompt shipment on all stock offered as long as available stock lasts, and will accept orders for spring and early summer delivery when accompanied by the purchase price, or a deposit of one-third the purchase price.

The Finest Commercial Varieties

VARIETY	COLOR	SIZE	No. 1	No. 2	No. 3	No. 4
			1½-up	1¼-1½	1-1¼	¾-1 in.
